Re: *Erratum to Petition of BellSouth Telecommunications, Inc., Adelphia Business Solutions of Nashville, Inc. and Adelphia Business Solutions Operations, Inc. to Deem Notice of Affected Customers Sufficient*
Docket No. 02-00770

Dear Chairman Kyle:

This is to correct an error in the Petition of BellSouth Telecommunications, Inc., Adelphia Business Solutions of Nashville, Inc., and Adelphia Business Solutions Operations, Inc. to Deem Notice of Affected Customers Sufficient, Docket No. 02-00770. The parties requested that the Authority deem the notice the parties intend to give to affected customers sufficient pursuant to proposed Rule 1220-20-4-2.56(2)(d). While this is the appropriate rule citation, BellSouth incorrectly relied on a proposed rule which has been modified by the Authority.

The actual Authority rule that BellSouth and Adelphia should have relied on in their joint petition simplifies this filing significantly. At page 6 of the joint petition, Adelphia and BellSouth request that the Authority waive the section of the earlier, proposed rule that states that "the acquiring carrier agrees not to exceed the rates charged by the acquired carrier for a period of not less than 90 days" Actually, the modified rule contains no such requirement.

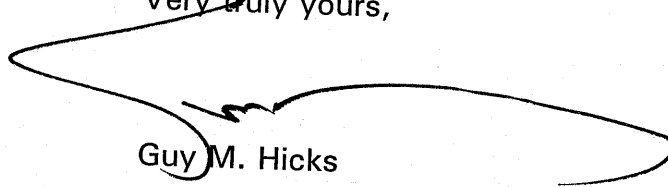

BellSouth and Adelphia request that the Authority deem the notice to affected customers sufficient under the modified rule. As stated in the Petition, the notice has been filed in compliance with all FCC requirements.

The Honorable Sara Kyle, Chairman
July 17, 2002
Page 2

The parties also respectfully reiterate their request that the Authority take up this matter on July 23, 2002. No party has sought intervention or otherwise opposed the filing. As stated in the Petition, Adelphia intends to cease providing service to its resale customers in September 2002. The parties must mail the customer notification on July 26, 2002 to ensure that affected customers receive a timely 30 day notice. Also, the parties will not be able to begin converting customers on August 31, 2002 in accordance with the parties' FCC filings if the Authority does not deem the notice sufficient at their conference on July 23rd.

I apologize for the error. Thank you for your attention to this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Guy M. Hicks", with a large, sweeping loop extending to the right.

Guy M. Hicks
